Provided that none of the clauses in this Agreement in any way abrogate or diminish the above mentioned rights and authority of the Board, the Board shall not exercise its rights so as to violate any of the specific provisions of this Agreement.

ARTICLE III

GRIEVANCE PROCEDURES

A. ASSOCIATION RIGHT TO REPRESENT

1. The OMEA may process and/or continue a grievance by a majority vote of the OMEA through all levels of the grievance procedure whether or not there is an individual employee who wishes to do so.
2. Class grievances involving more than one supervisor and grievances involving an administrator above the building level shall be filed by the Association at Step 2.
3. Alleged violations of Association rights shall be initiated at Step 2.
4. The Association may continue and submit to arbitration any grievance filed and later dropped by a grievant, if the grievance involves a question of the application or interpretation of this Agreement.

B. INDIVIDUAL RIGHTS

A grievant may be represented at all pre-arbitration stages of the grievance procedure by himself/herself or, at his/her option, by an Association representative selected by the Association. If a grievant is not represented by the Association, the Association shall have the right to be present and to state its views at all stages of the grievance procedure. The grievant may have the right to continue the grievance procedure even though the Association does not feel it is warranted.

C. TIMELINESS

Failure of the appropriate administrator or administrative body to render a decision within the specified time limits shall be construed to be a decision in favor of the grievant.

D. STEP 1

Within twenty (20) school days following the act or the condition which is the basis of the complaint, the grievant may present the grievance in writing to the immediately involved supervisor, who will arrange for a meeting to take place within five (5) school days after receipt of the grievance. The grievant and/or the Association and the supervisor shall be present for the meeting. The supervisor shall provide the grievant and the Association with a written answer to the grievance within five (5) school days after the meeting. Such answer shall include the reasons upon which the decision was based.

E. STEP 2

If the grievant is not satisfied with the disposition of his/her grievance at Level 1, the grievance may be referred to the Superintendent or his official designee. The Superintendent shall arrange for a conference with the grievant and the Association which shall take place within ten (10) school days of the Superintendent's receipt of the appeal. The Association shall have the right to include in the conference such witnesses and representatives as it deems necessary to develop facts pertinent to the grievance. Upon the conclusion of the conference, the Superintendent shall provide his/her written decision, together with the reasons for the decision, to the Association within ten (10) school days.

F. STEP 3

1. SUBMISSION TO ARBITRATION

If the grievant is not satisfied with the disposition of the grievance at Level II, he/she may request that the Association submit his/her grievance to arbitration. If the Association determines that the grievance has merit, it will notify the Superintendent with written notice five (5) school days prior to submitting the grievance to arbitration. If the Association does not agree with the grievant, the grievant has the right to continue with the grievance process.

2. SELECTION OF THE ARBITRATION

Within ten (10) school days after such written notice of submission to arbitration, the Superintendent and the Association may attempt to agree upon a mutually acceptable arbitrator and to obtain a commitment from such arbitrator to serve. If the parties are unable to agree upon an arbitrator or to obtain such a commitment within the ten (10) school day period, a request for a list of arbitrators shall be made to the PERB by the moving party. The parties shall be bound by the rules and procedures of the PERB.

The parties will be bound by the rules and procedures of the PERB.

The arbitrator shall decide all substantive and procedural arbitrability issues arising under this Agreement. Upon request of either party, the merits of the grievance and substantive and procedural arbitrability issues arising in connection with that grievance shall be consolidated for hearing before an arbitrator; but in no event shall an arbitrator resolve the arbitrability of a grievance without first having heard the merits of the grievance. The arbitrator's decision will be in writing and will set forth his/her findings of fact, reasoning, and conclusions on the issues submitted. The arbitrator shall be empowered to include in any award such remedies as he/she may deem proper. The decision of the arbitrator shall be final and binding upon the parties, not subject to appeal. The arbitrator's decision shall not amend, modify, nullify, delete, ignore, or add to the provisions of this Agreement.

4. COSTS OF ARBITRATION

The costs for the services of the arbitrator, including per diem expenses, if any, travel and subsistence expenses, and the cost of any hearing room will be borne equally by the Board and the Association. If the grievant continues a grievance procedure which the Association feels is unwarranted, the Board and the grievant will equally share the costs.

At least one formal observation shall include a pre-observation conference to be held a minimum of two work days before the observation, and a post-observation conference to be held no more than 8 work days after the observation, between the evaluator and teacher.

On or before the beginning of year three, the final completion of the Individual Career Development Plan will occur. A written review will be completed by the evaluator after both the teacher and evaluator have met regarding the teacher's progress and outcomes on the Individual Career Development Plan. In addition, a three year summative performance review will be conducted by the evaluator. The teacher shall provide the evaluator a portfolio linking artifacts to the Iowa Teaching Standards and Criteria. By April 1 of the third year of the cycle, the evaluator shall make one of the following recommendations to the Superintendent:

- (1) The teacher has demonstrated growth in the goal areas and no change is recommended to the teacher's continuing contract.
- (2) The teacher has not demonstrated growth in the goal areas and as determined by the principal to be in need of intensive assistance. Intensive assistance shall be provided for a period not to exceed six (6) calendar months. A summative review will be scheduled near the completion of intensive assistance.

- (3) Any other standards and criteria that the District has established; the evaluator shall recommend to the Superintendent that the teacher participate in the Intensive Assistance Plan. The process may begin at any time but is not to exceed six (6) months in duration.

The review of the teacher in Intensive Assistance shall be made by the evaluator. At the conclusion of the designated timeframe, one of three recommendations shall be made:

- (1) The problem is resolved and the staff member is removed from Intensive Assistance.
- (2) Progress is noted, the timeline is extended, but may not exceed an additional six (6) months (i.e., total of plan not to exceed twelve (12) months according to Iowa law) and work continues in the assistance phase.
- (3) The problem is not resolved and/or inadequate progress is noted. Action may then be taken by the District to terminate the teacher's contract.

Tier 3 is not grievable.

V. Remedy

A non probationary employee may file a grievance concerning any Tier I or Tier II evaluation as permitted by the Grievance Procedure Article of this Agreement.

VI. Miscellaneous

An employee has the right to respond in writing to specific items on their evaluation within ten (10) days of the post-evaluation conference. Any employee has the right to review evaluation in his/her evaluation file.

- VII. The teacher may submit artifacts to the evaluator, at the time of a formal observation, which provides evidence of meeting the Iowa Teaching Standards and Criteria.
- VIII. If during any formal or informal observation the evaluator determines the teacher is not meeting one or more of the Iowa Teaching Standards, the teacher shall be notified in writing within ten (10) working days or at the time of the post-observation conference.
